

TiVo Enters Long-term IP License with Fnac Darty Group

May 16, 2018

LONDON--(BUSINESS WIRE)-- [TiVo Corporation](#) (NASDAQ: TIVO), a global leader in entertainment technology and audience insights, today announced that TiVo has entered into a multi-year (IP) license agreement covering the consumer electronics brands of the Fnac Darty Group, the European retailer of entertainment and leisure products, consumer electronics and household appliances.

The new multi-region European intellectual property license enables Fnac Darty to enhance its own branded set-top box (STB) and TV products with patented TiVo innovations.

"TiVo's engagement with Fnac Darty demonstrates our leadership in delivering the ultimate entertainment experience to consumers across Europe," said Arvin Patel, executive vice president and chief IP officer, Rovi Corporation, a TiVo company. "It is testament to our broad patent portfolios and innovations that are increasingly important to advanced search and discovery in the consumer electronics market. We're pleased to help Fnac Darty expand its offerings and grow its customer base with our innovations."

The IP deal will enable Fnac Darty to implement TiVo technologies in Europe.

TiVo has spent decades investing in research and development to create market-leading technologies for the media and entertainment industry. TiVo's innovative solutions touch practically every aspect of consumers' day-to-day interaction with their entertainment, enabling businesses to build customized, next-generation digital entertainment solutions for users around the globe.
