I. PURPOSE OF THE COMMITTEE

The purposes of the Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) of Adeia Inc. (the “Corporation”) shall be: (i) to oversee the Corporation’s compensation and employee benefit plans and practices, including its executive and director compensation plans, and its incentive-compensation and equity-based plans; (ii) to review and discuss with management the Corporation’s compensation discussion and analysis (the “CD&A”) to be included in the Corporation’s annual proxy statement or annual report on Form 10-K filed with the U.S. Securities and Exchange Commission (the “SEC”); (iii) to prepare the compensation committee report as required by the rules of the SEC; and (iv) to perform such further functions as may be consistent with this Charter or assigned by applicable law, the Corporation’s certificate of incorporation or bylaws or the Board.

II. COMPOSITION OF THE COMMITTEE

The Committee shall consist of three or more independent directors as determined from time to time by the Board. Each member of the Committee shall be qualified to serve on the Committee pursuant to the requirements of the Nasdaq (“Nasdaq”) and any additional requirements that the Board deems appropriate. Members of the Committee shall also qualify as “non-employee directors” within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and to the extent deemed necessary or appropriate by the Board to administer performance-based compensation, “outside directors” within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”).

The chairperson of the Committee shall be designated by the Board, provided that if the Board does not so designate a chairperson, the members of the Committee, by a majority vote, may designate a chairperson.

Any vacancy on the Committee shall be filled by majority vote of the Board. No member of the Committee shall be removed except by majority vote of the Board.

III. MEETINGS AND PROCEDURES OF THE COMMITTEE

The Committee shall meet as often as it determines necessary to carry out its duties and responsibilities, but no less than twice annually. The Committee, in its discretion, may ask
members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary, provided, that the Chief Executive Officer of the Corporation may not be present during any portion of a Committee meeting in which deliberation or any vote regarding his or her compensation occurs.

A majority of the members of the Committee present in person or by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other shall constitute a quorum.

The Committee shall maintain minutes of its meetings and records relating to those meetings and shall report regularly to the Board on its activities, as appropriate.

IV. DUTIES AND RESPONSIBILITIES OF THE COMMITTEE

A. Executive Compensation

The Committee shall have the following duties and responsibilities with respect to the Corporation’s executive compensation plans:

(a) Review at least annually the goals and objectives of the Corporation’s executive compensation plans, and amend, or recommend that the Board amend, these goals and objectives if the Committee deems it appropriate.

(b) Review at least annually the Corporation’s executive compensation plans in light of the Corporation’s goals and objectives with respect to such plans, and, if the Committee deems it appropriate, adopt, or recommend that the Board adopt, new, or amend existing, executive compensation plans.

(c) Evaluate annually the performance of the Chief Executive Officer in light of the goals and objectives of the Corporation’s executive compensation plans, and, either as a Committee or together with the other independent directors (as directed by the Board), determine and approve the Chief Executive Officer’s compensation level based on this evaluation. In determining the long-term incentive component of the Chief Executive Officer’s compensation, the Committee shall consider factors as it determines relevant, which may include, for example, the Corporation’s performance and relative stockholder return, the value of similar awards to chief executive officers of comparable companies, the awards given to the Chief Executive Officer of the Corporation in past years and the results of the most recent stockholder advisory vote on executive compensation as required by Section 14A of the Exchange Act. The Committee may discuss the Chief Executive Officer’s compensation with the Board if it chooses to do so.

(d) Evaluate annually the performance of the other executive officers of the Corporation in light of the goals and objectives of the Corporation’s executive compensation plans, and either as a Committee or together with the other independent directors (as directed by the Board), determine and approve the compensation of such other executive officers. To the extent that long-term incentive compensation is a component of such executive officer’s compensation, the Committee shall consider all relevant factors in determining the appropriate
level of such compensation, including the factors applicable with respect to the Chief Executive Officer.

(e) Evaluate biennially the appropriate level of compensation for Board and Committee service by non-employee directors.

(f) Review and approve any severance or termination arrangements to be made with any executive officer of the Corporation.

(g) Perform such duties and responsibilities as may be assigned to the Board or the Committee under the terms of any executive compensation plan.

(h) Review perquisites or other personal benefits to the Corporation’s executive officers and directors and recommend any changes to the Board.

(i) Consider the results of the most recent stockholder advisory vote on executive compensation as required by Section 14A of the Exchange Act and, to the extent the Committee determines it appropriate to do so, take such results into consideration in connection with the review and approval of executive officer compensation.

(j) Review and discuss with management the Corporation’s CD&A, and based on that review and discussion, recommend to the Board that the CD&A be included in the Corporation’s annual proxy statement or annual report on Form 10-K.

(k) Review compensation arrangements for the Corporation’s employees to evaluate whether incentive and other forms of pay encourage unnecessary or excessive risk taking, and review and discuss, at least annually, the relationship between risk management policies and practices, corporate strategy and the Corporation’s compensation arrangements.

(l) Review and approve, to the extent it deems necessary, the terms of any compensation “clawback” or similar policy (including as may be required by applicable law) or agreement between the Corporation and its executive officers or other employees subject to Section 16 of the Exchange Act for recovering incentive-based compensation.

(m) Adopt stock ownership guidelines for executive officers and non-employee directors and oversee compliance with such guidelines.

(n) Prepare the compensation committee report in accordance with the rules and regulations of the SEC for inclusion in the Corporation’s annual proxy statement or annual report on Form 10-K.

(o) Oversee the Corporation’s submission to a stockholder vote of matters relating to compensation, including advisory votes on executive compensation and the frequency of such votes, incentive and other compensation plans and amendments to such plans.

(p) Review stockholder proposals and advisory stockholder votes relating to executive compensation matters and recommend to the Board the Corporation’s response to such proposals and votes.
(q) Perform such other functions as assigned by law, the Corporation’s certificate of incorporation or bylaws or the Board.

Notwithstanding anything to the contrary in the foregoing, the Committee shall have sole discretion and authority with respect to any action regarding compensation payable to the Chief Executive Officer or other executive officers of the Corporation that the Committee intends to constitute “qualified performance-based compensation” for purposes of Section 162(m) of the Code and the Treasury Regulations promulgated thereunder.

B. General Compensation and Employee Benefit Plans

The Committee shall have the following duties and responsibilities with respect to the Corporation’s general compensation and employee benefit plans, including incentive-compensation and equity-based plans:

(a) Review at least annually the goals and objectives of the Corporation’s general compensation plans and other employee benefit plans, including incentive-compensation and equity-based plans, and amend, or recommend that the Board amend, these goals and objectives if the Committee deems it appropriate.

(b) Review at least annually the Corporation’s general compensation plans and other employee benefit plans, including incentive-compensation and equity-based plans, in light of the goals and objectives of these plans, and recommend that the Board amend these plans if the Committee deems it appropriate.

(c) Review all equity-compensation plans to be submitted for stockholder approval under the Nasdaq listing standards, and review and, in the Committee’s sole discretion, approve all equity-compensation plans that are exempt from such stockholder approval requirement.

(d) Perform such duties and responsibilities as may be assigned to the Board or the Committee under the terms of any compensation or other employee benefit plan, including any incentive-compensation or equity-based plan.

V. SUBCOMMITTEES; DELEGATION OF AUTHORITY

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate; provided, however, that no subcommittee shall consist of fewer than two members; and provided further that the Committee shall not delegate to a subcommittee any power or authority required by any law, regulation or listing standard to be exercised by the Committee as a whole.

VI. EVALUATION OF THE COMMITTEE

The Committee shall, at least annually, evaluate its performance. In conducting this review, the Committee shall evaluate whether this Charter appropriately addresses the matters that are or should be within its scope and shall recommend such changes as it deems necessary or appropriate. The Committee shall address all matters that the Committee considers relevant to
its performance, including at least the following: the adequacy, appropriateness and quality of
the information and recommendations presented by the Committee to the Board, the manner in
which they were discussed or debated, and whether the number and length of meetings of the
Committee were adequate for the Committee to complete its work in a thorough and thoughtful
manner.

The Committee shall deliver to the Board a report, which may be oral, setting forth the
results of its evaluation, including any recommended amendments to this Charter and any
recommended changes to the Corporation’s or the Board’s policies or procedures.

VII. INVESTIGATIONS AND STUDIES; OUTSIDE ADVISERS

The Committee may conduct or authorize investigations into or studies of matters within
the Committee’s scope of responsibilities, and may, in its sole discretion, retain or obtain the
advice of a compensation consultant, legal counsel or other adviser. The Committee shall be
directly responsible for the appointment, compensation and oversight of the work of any
compensation consultant, legal counsel or other adviser retained by the Committee, the expense
of which shall be borne by the Corporation. The Committee may select a compensation
consultant, legal counsel or other adviser to the Committee only after taking into consideration
all factors relevant to that person’s independence from management, including the factors
specified in the applicable Nasdaq listing standards.

The Committee shall conduct the independence assessment with respect to any
compensation consultant, legal counsel or other adviser that provides advice to the Committee,
other than: (i) in-house legal counsel; and (ii) any compensation consultant, legal counsel or
other adviser whose role is limited to the following activities for which no disclosure would be
required under Item 407(e)(3)(iii) of Regulation S-K: consulting on any broad-based plan that
does not discriminate in scope, terms, or operation, in favor of executive officers or directors of
the Corporation, and that is available generally to all salaried employees; or providing
information that either is not customized for the Corporation or that is customized based on
parameters that are not developed by the compensation consultant, and about which the
compensation consultant does not provide advice.

Nothing herein requires a compensation consultant, legal counsel or other adviser to be
independent, only that the Committee consider the enumerated independence factors before
selecting or receiving advice from a compensation consultant, legal counsel or other adviser.
The Committee may select or receive advice from any compensation consultant, legal counsel or
other adviser it prefers, including ones that are not independent, after considering the
independence factors outlined above.

Nothing herein shall be construed: (1) to require the Committee to implement or act
consistently with the advice or recommendations of the compensation consultant, legal counsel
or other adviser to the Committee; or (2) to affect the ability or obligation of the Committee to
exercise its own judgment in the fulfillment of its duties.
